**NEWS RELEASE
IDENTIFICATION OF AREAS OF OPPORTUNITY (POST-TRADE)**

Dear Participants:

Following the commitments made in the **Identification of Opportunity Areas (Post-Trade)** document, we now confirm the release of two queries for the International Operation, available as of October 17, 2019.

- Query to verify the validity of RFCs that are already in authorized status.
- Query of capital rights (dividends) paid by the beneficiary and account from the "previous" status.

It is important to note that the "authorized" status is the one that indicates the amount confirmed by the custodian.

For any clarification or questions, please contact:

Alejandra Maya 55 5342-9654
Valeria Jimenez 55 5342-9709

Kindly,
Zazil Miranda
Deputy Director of International Business
