## **NEWS RELEASE**

### **MECHANICS OF COLLECTION FOR TRANSFER OF SECURITIES ABROAD**

Dear Participants:

We confirm that the collection mechanism for "Transfers of Securities Abroad" is the same for any instrument traded within the International Quotation System, regardless of the currency in which it is settled.

The fees for this concept are calculated with the price in MXN (pesos) of the Share / ETF of the homologated vector of the two authorized price providers in Mexico between the FIX exchange rate published on the day of settlement of the transaction, regardless of the settlement currency.

<b>Applying the table published in Indeval's Internal Regulations Transfer of Securities Abroad</b>	<b>Rates</b>
If the Price of the Share / ETF's is Greater than or Equal to \$25 USD	\$ 0.0095 USD
If the Share Price / ETF's is Lower \$25 USD	\$ 0.0075 USD
Minimum Foreign Securities Transfer Fees	\$ 18.00 USD
Maximum Foreign Securities Transfer Fees	\$ 3,000.00 USD
