

September 2nd 2021, Mexico City.

Dear all,

In order to comply with the article 12 of the General Provisions Applicable to Central Securities Depositories Institutions. We inform you that a new security type will be registered:

Type	Description	Market	Market Administration
LF	DEVELOPMENT GOVERNMENT BONDS	Debt	Government

The foregoing, in response to a requirement of the Central Bank. The new Type of security mentioned above will be integrated today to the securities catalogue published by this Institution on its web site www.indeval.com.mx

Kindly

Julio Obregón Tirado
Head of Operations and Settlement
S.D. Indeval
